

Cyber Crime Essentials for Business

With mobile devices and internet forming inseparable part of our daily activities, computer crimes are no less important than the traditional crimes in the physical world. As such, it is crucial for business professionals and government officials to keep abreast of the development and practice of computer crimes as featured in decided cases. This seminar summarises the legal elements and legislations commonly encountered in the criminal mis-uses of computers. Through study and review of decided cases, the law and regulation of such criminal offences are explained and illustrated so that proper precautions and plans can be drawn up accordingly.

Content:

- ◆ Cyber crime definition and overview
- ◆ Elements of criminal offences
