

FUNDAMENTALS OF NEGLIGENCE FOR MANAGERS AND PROFESSIONALS

Tort of negligence is at the hearts of today's business management. Yet, the guiding principles must be properly understood by those using them for avoidance of legal trap and pitfall in workplace and liabilities control.

By reviewing recent representative cases, the legal principles of tortious liabilities and their implications in practice upon the effective administration of common types of businesses are examined. It aims at equipping participants with the necessary knowledge and practical understanding for managing such risks and liabilities in their work environment. Further, it goes on to outline the key problem areas and traps that those involved in the subject areas need to be alerted.
