### Commercial Contract Law for Executives and Managers

*(5<sup>th</sup> intake in 2015)*

Co-organized with HKIE for CPD

Legal knowledge is becoming more and more important to executives and business managers for enabling the proper discharge of their duties. Through this course, participants are provided with a comprehensive overview of the law of contract material to their daily tasks at work. To further enhance their understanding and to facilitate direct application of knowledge to their work, the course content is designed with the focus on those contracts commonly used in daily commercial transactions. Through this course, participants will be further introduced to salient terms in different types of commercial contracts commonly encountered in the procurement of goods and services and business arrangements. The course will also cover the key case laws and main means of alternative dispute resolution in relation to contractual disputes in commercial transactions, with reference to local and overseas experience.
