Seminar on 7 October 2015, Wednesday Negligence Law Essentials

Essential Guiding Principles for Officials, Professionals and Executives in Procurement Co-organized with HKIE for CPD

Tort of negligence is at the heart of today's business management. Yet, the guiding principles must be properly understood for avoiding legal traps and pitfalls in various business settings and forgetting liability control.

Focused on the construction industry, this 1-day seminar aims at equipping participants with the necessary knowledge and practical skills for managing such risks and liabilities. By reviewing recent cases, the legal principles of tortious liabilities and their implications in practice upon the effective administration in the business settings are examined.
