

Seminar on Construction Claims and Contract Management

(Organised by HKMA, supported by HKLTI)

Successfully Held on 15 April 2021 (Thu)

Construction contract need careful handling as claims are a fact of life in the construction industry. This seminar provides the practical legal skills and knowledge for handing those claims commonly encountered, including those related to delays and disruption, variation and change orders, payments, certification and the preparation of records and documentation.

It provides participants the necessary training for handling contracts in any context, such as in purchasing, sales, servicing and maintenance.

The Seminar on “Construction Claims and Contract Management” was successfully held on 15 April 2021. The visiting lecturer was **Mr. Andrew Lau, Barrister-at-law.**
