

*Seminar on*  
**“Building Management, Land  
Resumption & Tenancy Law in  
Hong Kong”**

*Successfully Held on 26 July 2019*

Building management, land resumption and tenancy matters are getting more attention in Hong Kong. The law and practice of the governing legislation are required to be understood for all involved. This seminar provides an overview of the essential Laws concerning the building management, resumption of land and compensation practice, and tenancy issue that are typical under the Building Management Ordinance (Cap. 344), Land Resumption Ordinance (Cap.124) & Landlord and Tenant (Consolidation) Ordinance (Cap.7). The seminar will also cover the key review of cases, situations and main legislations relevant to participants and these will be discussed with reference to local and overseas experience.
