

Seminar on

“Legal Aspects of Design-Build Contracts”

Successfully Held on 23 June 2017

There are more and more design-build contracts in use in Hong Kong. With the size and extent of projects adopting them growing, the law regulating them are also getting more complicated. In view of these, there is a need to enhance understanding on key legal issues and practices pertaining to use of such design-build contracts.

This seminar aim at providing a critical review and update of the legal aspects concerning the common issues in the application of design-build contract in Hong Kong. Though discussion of lessons learnt from decided case, the law and practice on areas that those involved need to be alerted to are highlighted.
