Legal Essentials for Working from Home for Employers

The legal issues on work-from-home can be complicated and need to be properly understood. There are essential areas that every human resources professional must know to handle such emerging challenges. The guiding principles are essential for all seeking to avoid legal traps and pitfalls in various business and public settings and for managing liabilities and risks. With review of insightful cases, this online training aims at providing a useful road map to facilitate the direct application of those HR related laws by those involved in their daily work situations.

Content:

- Legal issues and risks on working from home
- Common law duties of employers
- Work-from-home policy and employment contracts
- Health and safety issues
- Equality issues for flexible working
- Confidentiality and data protection issues
- Case studies and situation reviews
