

# Legal Aspects of Patents and Copyrights Uses and Protection

## A comprehensive overview of the intellectual property law in Hong Kong

The legal landscape of **intellectual property** is getting more and more complicated, and demands and expectation over public officers are ever-growing. In view of these, there is a need to **enhance the understanding of public officers of key legal issues and practices** regarding intellectual property law in Hong Kong which are pertaining to their work.

### Key Takeaway

After this one-day training:

Participants will gain a comprehensive overview of the necessary legal knowledge and practical skills in relation to the intellectual property law in Hong Kong, and their relevance of the knowledge to their work.

### Speaker: Practising Barrister

Co-organised with Hong Kong Legal Training Institute
